

## SOFT TISSUE DIODE LASER CERTIFICATION FOR DENTAL HYGIENISTS

*This Course meets the curriculum guidelines and standards for Dental Laser Education*

Register early to ensure space  
Enrollment is limited to 25

LOCATION: Army Navy Country Club  
1700 Army Navy Drive  
Arlington, VA 22202  
703-521-6800  
Date: February 24, 2018  
Time: 7:30am --- 3:30pm  
Who: RDH, DDS  
Cost: \$ 425.00 CE  
Credits: 8 CEU's  
Breakfast & Lunch Included  
Due date July 15, 2017

### Course Description

This hands-on course will explore the fundamentals of Laser Science. This program will discuss the value and benefit of Laser as an essential element in periodontal therapy and for optimum recall management in patient health and wellness. Learn the specifics of laser fiber optic delivery and discover the delicate nature of using a laser device. Working with simulation exercises, this workshop is designed to build confidence and gain clinical understanding in the delivery of periodontal treatment protocols in Hygiene. Join us as we take the voyage of discovery through diode laser techniques in this dynamic workshop. Code: 497

### Course Objectives

- Learn the benefits of using a diode laser in conjunction with conventional SRP in the reduction of bacteria in periodontal pockets.
  - Possess an understanding of laser physics and tissue interaction
  - Elevate knowledge of science and evidence behind laser use in dental hygiene therapy
  - Understand the proper settings and safety of laser use
  - Understand the integration of the laser into the dental hygiene appointment
- You may choose any of the following methods to register for course:
- Register online via our secure web site at [www.capitalsymposiums.com](http://www.capitalsymposiums.com)
  - Mail in your registration form along with your check or credit card information. (We accept VISA, MasterCard, Discover or PayPal)
  - Call (703)946-2575 and use your credit card to register.
